Grammar School Has Splendid Entertainment To Close Term

Sonoma N. S. G. W. Plan Diamond Jubilee Participation

"FLORIST'S WINDOW" AND "TOREADORS" SCORE A BIG HIT

Young Pupils In Clever Productions Applauded By Large Audiences On Thursday and Friday Nights.

The Sonoma Grammar School put on splendid and high class entertainment Thursday and Friday nights at the school auditorium which was crowded to capacity both evenings by friends and admirers of the talented pupils who participated.

Selections by the school orchestra preceded the cantata, "In a Florist's Window," and revealed that the grammar school has some excellent and promising material among its young musicians.

"In a Florist's Window" was one of the most colorful and delightful offerings ever presented to a Sonoma audience. Little florists ushered in the various flowers and the "pesky" green bugs, the latter making the comedy hit of the production. The costuming was unique and beautiful, roses, bees, columbines, pansies and violets all being cast with a fine discrimination which reflected great credit on the teachers. The costuming itself was a work of art in which many talented volunteers assisted. The gorgeous roses, colorful bees, gaudy daffodils, gay columbines, rich hued pansies and modest violets vied for honors. The mustard seed, Carmel Spread in golden plumage, had a solo which was tuneful, and the choruses were very well sung.

"The Toreadors" had a Spanish setting, tiled patio and garden background. The principal roles were well sustained. Master Randolph making an impressive Senor Dictorio. His daughters, Frances Bonsey and Geraldine Morando, and their friends, Marjorie Tracy and Elizabeth McDevitt, were most charming señoritas; their lovers, Edwin Burmester and Malcolm Champlin, handsome suitors, and the comedy roles of the beggar toreadors scored a big hit as portrayed by Maxwell Johnson and Jack Murray, clever young comedians.

PIONEER-RESIDENT IS HONORED ON BIRTHDAY

Judge J. M. Cheney, ex-Justice of the Peace and ex-postmaster of Sonoma, who celebrated his 86th birthday Wednesday, was given a reception at his home on Spain street by the Odd Fellows and Rebekahs. A regal birthday cake, other refreshments and card playing was enjoyed. Mr. Cheney was heartily congratulated by his friends and lodge members.

The Judge is one of Sonoma's oldest remaining pioneers and is still bright and alert. He enjoyed the party as much as the young folks who were present.

BIG REALTY DEAL RUMORED

It is rumored that the Order of Hermann Sons of California is negotiating for the purchase of the A. E. Tower ranch near Buena Vista as a site for an old people's home.

Barbecue Of Former Days Recalled

Plans to entertain at a barbecue the grand officers of the N. S. G. W. who would come here to officially designate Sonoma Valley landmarks recalls one of the early day barbecues affairs at the Granville Swift ranch in the fifties. The late Franklin Watris recalled how he, with the father and uncle of Paul Robin went to the Swift ranch to buy 50 head of stock.

Robin was an expert lasso-er and after the animals had been rounded up, inspected, caught and cut out from the droves of cattle, Swift invited the purchasers to stay and eat. The big landowner promptly went out with an Indian boy, selected a fat young steer, drew a big bowie knife from his boot, ham-strung the steer which was killed, skinned and quartered. Swift and his guests each cut a choice morsel of beef, put it on a stick and barbecued it over an open fire. This tightly broiled, rather rare meat was washed down with a five gallon jug of liquor and they called it a meal. Watris, a fastidious New Yorker from a family of Astor House epicures, never quite got over it. Later whenever a barbecue was mentioned, he told of the incident.

HISTORIAN HERE FROM RIVERSIDE

Jonathan Tibbet, pioneer historian of Riverside, owner of one of the most valuable individual collections of Indian and Western relics in the world, was in Sonoma Tuesday, accompanied by his wife, sister-in-law, Mrs. Ida E. Michebacher, and their chauffeur.

Mr. Tibbet has been touring this section of the state for historic data and acquisitions to his collection, which is soon to be given to one of the cities of Southern California, which will provide a park and museum as a home for the souvenir relics and curios to be presented to the public by Mr. Tibbet.

As grand chief counsellor (Chief Buffalo Heart) of the Mission Indian Federation, an organization dedicated to Indian welfare, Mr. Tibbet won an enviable place among the Indians of California. He is the only white man admitted to their councils and he speaks their native language and has their confidence. As a result he has made a long and ardent fight in behalf of California's original settlers and receives no compensation for his work but the satisfaction of seeing justice done these long suffering people.

After looking over Sonoma Valley and recognizing it as the original stamping grounds of many Indians of the early days, Mr. Tibbet declared that the Indians of the South might include this famed land in their contemplated tour North late in the summer. He will seek to interest them in the hospitable Sonoma Valley, its natural hot mineral springs, and its beautiful hills.

If a suitable camp site can be arranged for here Mr. Tibbet felt that

Boyes Springs Opening On Schedule May 30th

Even with the deluge of rain of the past few days there has been no interference with the reconstruction work on Boyes Hot Springs. With the same determination to make the resort the most attractive in California, Messrs. Partridge and Lichtenberg have almost doubled the force of mechanics at work to insure completion of the improvements for the opening on Saturday, May 30th. The payroll of mechanics alone last week was \$3600, and a big appropriation is being expended for publicity.

"We will be ready on time, keeping our word that the new Boyes Hot Springs will be the show place of Sonoma county," said Fred F. Partridge when asked if the tremendous piece of work would be finished as at first announced. "As we have progressed with our work," he continued, "many attractions that were not originally contemplated have been made a part

San Rafael's "Million Dollar" band. The Lybian Guards and comedy features will enliven things along the line of parade. The streets will be illuminated and with bands playing and good fellowship in the air, the occasion will be one not soon to be forgotten.

Supreme Mobib H. D. Maynard

Following the ceremonial at the auditorium the Sciots will join their ladies at Union Hall, which will be headquarters for the visitors, and where an orchestra will play for dancing. A minstrel show and other stunts will be staged during the evening. The entertainment committee will serve refreshments. All local Masons and Eastern Star members have been invited to participate in the festivities.

Local Sciots arranging for the big conclave are as follows:

A. W. Adler, H. F. Bates, E. J. Clements, Ernest Coates, W. F. Clewe, J. Fochetti, L. H. Golton, T. Harris,

G. W. McGill, R. O. Hotz, Paul Robin, C. E. Johnson,

G. H. Stillings, A. J. Omith, F. E. Elkins, A. Trautvetter, E. T. Lindley,

C. E. Erickson, G. Schilling, Henry J. Norrbom, George B. Stickle, Charles R. Potter and M. Soley.

New Garage To Be Erected On Broadway

That Sonoma City is growing and residence property in the business district becoming too valuable for residence purposes is evidenced in the deal made this week by August Pinelli, who bought the two story Davis house on the corner of Broadway and Patton street and will utilize the splendid location for a big new garage. The property has a frontage of 75 feet on Broadway and a depth of 280 feet, extending back to First Street East.

Mr. Pinelli appeared before the Board of City Trustees Wednesday night and asked for a permit to erect a handsome stucco type garage, 75 feet by 100 feet. The board will make some recommendations as to fire walls on the north and east, and it is believed the permit to start construction will be granted.

The Davis property was disposed of by Mrs. Natalie Davis, widow of the late Dr. H. H. Davis, whose two story house and offices was long regarded as one of the fine residences of Broadway. The house will be moved, renovated and located on another portion of the lot acquired by the new owner.

MRS. TONY CERECHINO GIVEN SURPRISE PARTY

The home of Mr. and Mrs. Tony Cerechino on Second Street East was the scene of a jolly birthday surprise party last Saturday night. Mr. Cerechino arranged the affair in honor of Mrs. Cerechino's anniversary day without letting his good frau know the first thing of it, and he arranged it well. First he invited relatives and old friends and then had chickens prepared and cooked at one of the hotels and with them a lot of trimmings for the big feast which was a feature of the party.

Saturday night a congenial San Francisco delegation and also Sonoma Valley friends appeared at the hospitable home and it was a complete surprise to Mrs. Cerechino. She recovered her composure when the friends showered her with congratulations and gifts and friend husband confided to her that the "eats" had all been arranged for.

A jolly party was soon in progress and a most delightful time enjoyed. The spacious living room with its hardwood floor was cleared for dancing, music was furnished by Mrs. E. E. Steiger, one of the guests, and special cabaret numbers were put on between dances by Mr. Myers of San Francisco.

At midnight all sat down to a sumptuous banquet. There were speeches and toasts to the guest of honor and to both Mr. and Mrs. Cerechino and their pretty daughters.

Guests included Mr. and Mrs. Myer, Mr. and Mrs. C. A. Kurreger, Mrs. Margaret Gilbert, Miss Claire Tyndall, Misses E. and M. Friedeger, Misses Ruth and Mildred Kurreger and Charles Kurreger, all of San Francisco; Mr. and Mrs. Vic Lever-

SPIRITED MEETING MONDAY NIGHT REVEALS PLANS

Sonoma Parlor to Have Historical Feature In San Francisco Parade On September 9th.

Sonoma Parlor, No. 111, N. S. G. W., had one of the best meetings of the year Monday night when they welcomed home Delegates Palmer and Kerner from the Grand Parlor at San Bernardino, heard their report that the Bear Flag monument park had been aided and decided to participate in the Diamond Jubilee at San Francisco September 9th. They also planned a Sonoma Valley Day for the Grand Parlor delegates who have chosen Santa Rosa as the meeting place next year.

Three hundred and fifty dollars was appropriated by the Grand Parlor to Sonoma Parlor for the beautification of the grounds in the vicinity of the Bear Flag monument, the plea for assistance being made by Delegate Bert Kerner, of Sonoma.

The matter of participating in the Diamond Jubilee celebration in San Francisco next September, when California's admittance into the Union 75 years ago will be commemorated, was decided upon. J. P. Serres was named chairman of the committee of arrangements and assisting him will be Roy Pauli, J. F. Prestwood, Tom Palmer, Gus Marcy, F. Stuermer, B. Kerner, Joe Baccaglio. Mr. Serres has offered the historic turn-out once owned and driven by Colonel "Fighting Joe" Hooker as a parade feature.

Nominations of officers for the ensuing year were in order and the election will take place next month. William Bosch is to be the new president of Sonoma Parlor.

The report of the delegates who went to San Bernardino was brimful of interest and Messrs. Palmer and Kerner told of the splendid entertainment accorded them. Among famous places visited were Mount Arrowhead, Lake, Redlands, Smiley Heights, the Mission Inn at Riverside and other points of interest.

CREAMERY MAN NOW FULL FLEDGED CITIZEN

Joseph Vella, one of the firm of the Sonoma Mission Creamery, Inc., received his final papers and was admitted to citizenship of the United States Wednesday at Santa Rosa. He passed among the highest of those examined by Judge Thompson. Mr. Vella, successful business man and a prominent Odd Fellow, took out his first papers 10 years ago, but owing to the demands of his growing business and intensive work therein, he neglected to complete his naturalization sooner.

He plans a trip to Europe early next year and is pleased to think that he can make the trip as a citizen of this country, where he has been so successful and has become so prominently identified with affairs.

J. Serres of Agua Caliente expects to set out 30 acres of tomatoes, to be sold to the Sebastiani cannery here this season.

CAPTAIN W. P. PLESS

82 YEAR OLD VISITOR

Captain W. P. Pless of San Francisco, a noted mechanical engineer 30 years ago, was in Sonoma recently and visited the Jones ranch.

When the marsh land was first reclaimed some 35 years ago by Senator John P. Jones and his brother, Sam, Nevada millionaires, Mr. Pless was the leading factor in the development of the southern part of the valley. Pless, in his earlier days, was an engineer of a high order, inventing the first successful dredgers, named the Empire and the Nevada, because the Jones brothers made millions in the Empire mine in Nevada. Shortly after these dredgers, with the Pless patents proved a success, large dredgers were built for the Sacramento and San Joaquin Rivers and were designed precisely after the Pless models used on the Jones ranch.

During Mr. Pless' residence in Sonoma Valley he was held in the highest esteem and had a host of friends. He is now 82 years of age, but his mind is clear and carriage erect. Mr. Pless will be remembered as a great friend and associate of William "Baldy" Hamilton, the pioneer stage owner and former superintendent of the Jones ranch.

SUPERVISORS FAVOR

SEARS POINT ROAD

A resolution was adopted by the supervisors of Sonoma county urging Governor Richardson to sign Assembly Bill No. 1153, appropriating \$100,000 for the construction of the state highway from Vallejo to Sears Point in Sonoma county, on the Black Point Cut-off.

The proposed road would greatly shorten the distance between Vallejo and Sonoma Valley and would give the navy yard town a quick outlet to San Francisco, easy access to the Redwood Highway and shorten the distance to the Black Point Cut-off by over 15 miles. The present route from Vallejo is through Napa. The rights of way for the new road would be over reclaimed marsh land and most of them have been already secured. Sonoma Valley would directly benefit by the building of this highway.

NOT DOWN ON THE PROGRAM

The fine sense of appreciation is lacking in some folks, even when they appreciate music. A get-together banquet for the school trustees of Sonoma County was recently arranged by the enterprising school superintendent of Sonoma County and her staff who are putting many ideas into effect and wants the school boards to appreciate the fact. Incidentally, it was conceded that school trustees, like other folks, like music with their meals, and as Sonoma County school kiddies are wonderfully clever along this line, it was decided to assemble a school orchestra from various parts of the County to render a nice program at the luncheon in Santa Rosa. Sonoma sends its quota of young musicians for the orchestra and they were accompanied by a mother or two to look after them. The children's orchestra played for the luncheon most beautifully and the trustees and dignitaries ate "to beat the band." Wistful eyes gazed at the chicken and ice cream and as the food disappeared, the little musicians, thinking they would get their later, were spurred on to give the best that was in them.

Later, with an all gone feeling, they began to inquire as to lunch arrangements, but there had been none made. Sonoma mothers who sought entrance to the banquet hall were advised to step outside after proclaiming that they were just mothers, not trustees. The little children were shooed out on the lawn where they were told they might open their lunches—if they had any.

The result was that the Sonoma delegation went into Santa Rosa and bought their own lunch at a restaurant. Healdsburg evidently with the same experience and wishing to save the teachers there from criticism, protested in the "Voice of the People," in the San Francisco Daily Herald, as follows:

Some Nerve

Healdsburg: It is too bad some people speak of teachers the way they do, when, if you get to the bottom of things it is not the teacher, but the board. Recently in Santa Rosa, the Board of Trustees of Sonoma County had a meeting and they had the nerve to sit down to a chicken dinner and have the children of the music department play several selections and then dismiss them without even giving them a dish of ice cream.

Perhaps it was all an oversight and the trustee guests who were in it no doubt regret what happened more than anyone. It is suggested, however, that the arrangements committee remember that children traveling over 40 miles to entertain visitors are also worthy of entertainment and that a meal is appreciated once in a while as well as music.

CARNEROS PROTESTS THE MOSQUITO PEST

Our neighbors just over the Napa County line in Carneros have the right dope on the mosquito pest and expressed it well in the following recent statement:

The residents of the Carneros District have been working in the interests of a mosquito abatement district for approximately two years and in urging the people of Napa to join with them to meet this common community problem they ask permission to make the following points:

The interests of the City of Napa and the surrounding rural district are identical. Progress and prosperity in one directly affects the other, not only in valuations but also in business done. Even as the electroliners and the new water works have affected rural property beneficially by making southern Napa County a better community, so does the mosquito in the country act as a detriment to the City of Napa.

Thousands of dollars have been spent for pamphlets advertising the advantages of Napa County. Here in the heart of the proposed abatement district is Cutting's wharf, the mecca for sportsmen from all sections of Northern California during the bass fishing season. Of what avail the printed pamphlets describing the desirability of Napa County as a place to live when these people from all sections of Northern California return home to tell of the mosquitoes?

The Black Point Cut-off Highway passes through the center of the Carneros district. The shaded grounds of the beautiful Carneros School are an invitation to stop and lunch. No more charming spot is to be found. But time and time again lunches are repacked because the mosquitoes do not permit peace. Surely, such a condition reflects upon the City of Napa as much as upon Carneros, as the two being adjacent, the mosquitoes necessarily must also infest the City of Napa.

The Carneros district is one of the richest and most highly improved sections of the county. The grain fields and pasture lands are giving way to vineyards and orchards very rapidly, but not as rapidly as they will when the mosquito has been exterminated. Time after time prospective settlers of highly desirable type have been discouraged after one session with the mosquitoes.

The residents of the district are sorely beset by the pest. In the orchards and fields this irritating pest takes monetary toll. One cannot work and fight mosquitoes. Cattle, horses and sheep suffer. Sheep often refuse to leave the sheds because the mosquitoes will completely cover their noses if they venture out. Under such conditions it is evident that many improvements which are essential to the enjoyment of home life are not made, and residents look forward to the time when they can sell and move to some

district where there are no mosquitoes. Loss of desirable settlers and a stagnant desire for improvements means a direct loss to the City of Napa. It means an infinitely greater loss to Carneros. Our interests and problems are mutual. We believe we will be met half way.

WOMEN LOBBYISTS

The power of the "better half of creation" was never more aptly illustrated than it was in the late session of the Legislature by the passage of the bill establishing a prison farm for unfortunate women. The scheme had been tried, and failed and had been abandoned. The Governor was known to be opposed to it, and unquestionably both houses were, but the women kept very active lobby all the session at Sacramento and they finally forced the bill through, some of those voting for the bill announcing that they were opposed to it, but wanted "to jam the Governor."

Without discussing the wisdom of the measure, upon which opinions differ, legislators who will vote for a measure of which admittedly they do not approve, especially when it is of the importance of the one under consideration, show very little stamina or principle; and their explanation that they wanted to "jam the Governor" only makes matters worse. This last Legislature was in many respects, if not the worst, certainly the weakest Legislature that has ever afflicted California.—Anderson News.

JUDGE JUSTI TIES MATRIMONIAL KNOT

Judge Leo Justi, of Glen Ellen, who is known far and wide as the marrying magistrate, and is Cupid's best ally, performed another ceremony last week when he united in marriage M. Hesemeyer of San Francisco, and Miss Edith Kunde of Santa Rosa. The wedding was to have taken place at the Justi home, which was prettily decorated for the occasion, but the weather being inclement, the Judge was summoned to perform the ceremony at the home of the bride.

The wedding of the happy couple is the culmination of a long friendship and unites the only remaining single daughter of Mrs. Louis Kunde to the lucky San Franciscan. The bride is a sister of Arthur Kunde who is to be married June 6th to Miss Hauwelling in the metropolis. The Houwelling-Kunde wedding will terminate in an elaborate dinner and reception at the French Room of the Palace Hotel, to which a number of Sonoma Valley friends have been invited.

Mr. and Mrs. Hesemeyer left on a honeymoon trip to Southern California in their car.

The new summer schedule of the N. W. P. railroad will go into effect on May 28th.

DECORATION DAY AT AGUA CALIENTE

Special effort will be made to entertain visitors at Agua Caliente on Saturday, June 30th, and the following program has been arranged:

10 a. m.—Start of the first annual Sonoma Valley marathon race, at Dr. Lieno's office, Plaza, Sonoma, to Agua Caliente Springs bath house. First prize, silver cup.

3 p. m.—Free water show featuring members of the state championship swimming team, under the direction of Duke Killipoo.

3:30 p. m.—Race between Duke Killipoo, Hawaiian swimming champion, and Duke Fober, Agua Caliente.

4 p. m.—Free show for kiddies in the Al Fresco Theatre.

A crowd of several thousand swimming fans is expected to follow the state champs from the bay district.

Mr. Corcoran is taking down the fence along the railroad track in order to provide ample parking space.

FIRE CHIEF WARNS

A warning is given by Chief Jep Valente and Chief Stuermer of the fire departments that the grass was never so high as it is this season and therefore it will shortly be a great menace when dry. Clean up your yards, and grounds before it is too late. An ounce of prevention is worth a ton of chemical.

KNIGHTS OF PYTHIAS LAY CORNERSTONE

The cornerstone of the first building unit to be erected at the Pythian Home in Los Guilicos Valley was laid with the ritualistic ceremonies of the Order Thursday afternoon in the presence of more than 1000 members of the Knights of Pythias and Pythian Sisters.

EL VERANO NEWS

(Continued from Page Two)

S. P. passenger for Santa Rosa on Monday evening.

The Boissonneau brothers were in town last Friday, going from here to Santa Rosa to be present when the suit which they had filed against Mr. Lavoie, was called. A small war of a decade's duration has been waging between these parties over fences on the road. After hearing all the facts the Judge ordered both parties to remove their respective fences to their property line, and the hatchet was buried. Attorney Grinstead of Sonoma represented Lavoie, while W. F. Cowan, Santa Rosa, was Boissonneau's attorney.

W. Locarnini, Star car salesman, was an S. P. passenger for Oakland Saturday, bringing home a new Star car for a Sonoma buyer.

Mrs. W. Bomhoff and little daughter are here for several days, occupying their Nob Hill cottage. Mrs. Bomhoff resides in San Francisco.

F. H. McCarthy and family and Harvey Toy and family of San Francisco were enjoying the week end at their Sonoma Vista summer cottages. Toy and McCarthy are prominent California politicians.

The El Verano ball tossers went down to defeat Sunday at the high school grounds when Easy Jim's Vineburg All Stars handed the challengers a trouncing in their initial game. A large crowd of rooters was on hand to greet the teams when the umpire gave the signal to play ball. Rain interfered during the last innings of the game, making the ground slippery and the El Verano boys, who are rising young valley shicks, attribute their downfall to cold feet, a slippery ball and too much jazz on Saturday evening, when they tripped the light fantastic at local dances. Manager Locarnini has instructed his boys, under a dismissal rule, that all of his players must, in the future, be in slumberland on Saturday evening not later than 12 p. m. A return game will be played Sunday, May 31st.

Bill Preston and Ed Dowdall, of Concord, oil employees, were renewing acquaintances in El Verano last Sunday.

Charles Danieli was an S. P. passenger for Martinez Monday morning.

R. Morelli left for Nevada Sunday morning to resume his position as fireman for the S. P. Company.

Mrs. A. Gibson of Sonoma Vista has gone to Modesto to spend some time with relatives.

Eli Boche, U. C. student, of Berkeley, is here to spend his vacation at the home of his parents south of El Verano.

Mr. and Mrs. Louis Martin of Vineburg were visiting Mrs. Martin's mother, Mrs. Rabaud, Tuesday.

Mr. and Mrs. George Garside of Oakland spent the week end at Agua Caliente Springs. Mrs. Garside was formerly Mary Burke, of the pioneer Sonoma family. The wife of her brother, John Burke, of Stockton, recently passed away in that city.

Mrs. Garry Bartoli entertained at a shower Tuesday, complimentary to Mrs. A. Maffei, nee Adams.

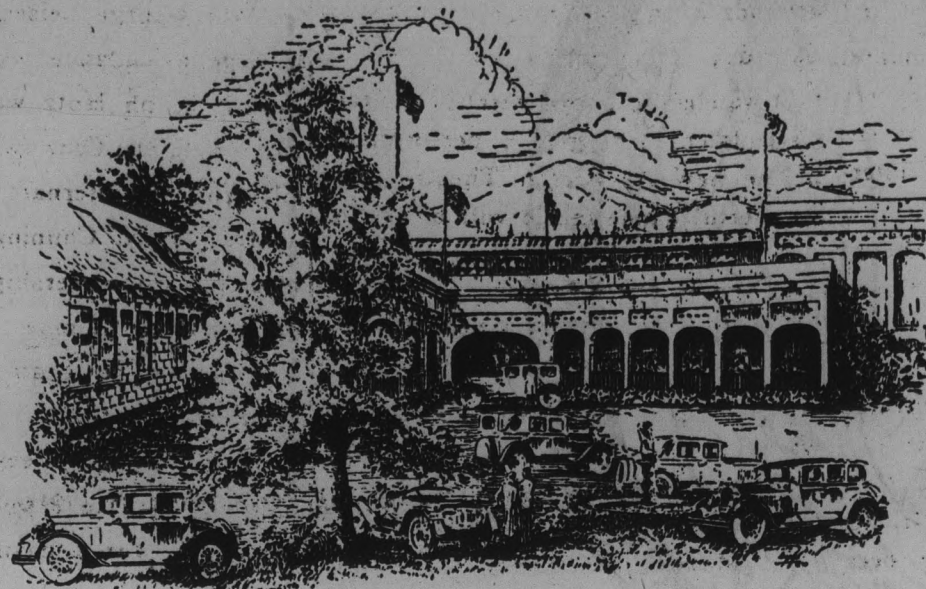

Everett Sprague of Berkeley, a Junior at U. C., is spending his summer vacation here and will assist at the Index-Tribune office.

DANISH VISITOR AT JACK LONDON RANCH

Visitors of Mrs. Jack London the past week included Tyge Lassen, owner of the Danish Aalborg County Gazette, one of the largest provincial papers in the kingdom of Denmark.

Mr. Lassen is one of the publishers and editors of his concern. He is enthusiastic over the beauty and interest of the Jack London ranch, so much so that he was out at all hours in the rainstorm that has continued for several days past. He expresses himself as convinced that the essence of California beauty is concentrated in this section of Sonoma county.

Otto Lunn, an old friend of Mrs. London, acted as guide to his friend, Tyge Lassen, the two having been schoolmates in Copenhagen. Mr. Lunn is the son of Consul General Ove Lunn, in Sydney, Australia, the family having been constant visitors to the Jack London ranch in years when Ove Lunn was Danish consul in San Francisco. Otto Lunn is working with Bent Brothers, who are building a dam across the Merced River for irrigation purposes.

Miss Beth Lane has returned from Berkeley, where she has been attending the University of California, and will spend the summer vacation here with her parents, Mr. and Mrs. Z. Lane.

Mr. and Mrs. Fred J. Hansen are driving a new Chevrolet coupe, purchased through H. J. Norrbom.

ST. FRANCIS CHURCH TO HOLD ANNUAL PICNIC

Arrangements have been completed to hold the first annual picnic of St. Francis church in the spacious grounds of Agua Caliente Springs on Saturday, July 18th.

A vaudeville show with San Francisco talent will give a performance in the new Al Fresco Theatre and wonderful dance music will be featured in Caliente Poppy Bowl.

Y. L. I. CARD PARTY

The Y. L. I. card party Wednesday was a great success and prizes were awarded as follows: J. F. Quigley, a smoking set; Mr. Hughes, ash tray; Mrs. Maude Matthews, opalescent fruit bowl; Miss Irene Dowdall, cup and saucer.

Committees headed by Miss Evelyn Valente, Miss Wirtz, Misses Heggie, Miss Picetti and Mesdames Fraher, Crane, and Cereghino dispensed hospitality.

The sad news has reached here that the former Lucile Carson, vivacious young woman of Boyes Springs, who moved away from Sonoma Valley and later married a lieutenant in the navy, died some time ago at San Pedro. Her mother is residing in San Francisco.

Mrs. Tom Ryan gave a birthday party this week in honor of her son's birthday. Vernett is 12 years old and a very bright boy. He is a nephew of Deputy Sheriff Joe Ryan.

WOMAN'S CLUB NOTES

Friday, May 15th, is a day not soon to be forgotten by the members attending the Sonoma Valley Woman's Club. The club was called to order by Mrs. George Leiser, president, and a large attendance was present.

Mrs. Ralph Hotz was elected delegate to Santa Cruz, with Mrs. Edgar Clements as alternate.

Mrs. E. N. Cuning was declared elected to membership after the report of the membership committee, and another new nam was given this committee.

Better Homes Week was arranged for June 14th to 21st, and Mrs. Burlingame reported having secured one of the new bungalows on the Hunt Tract which will be used during this week.

Let all club members remember that next Wednesday, May 27th, is the day on which we are to be hostesses to the county federation. A hundred or more guests are expected so let each one of us be present and do our part to make the day a happy one. The morning session begins at 10 o'clock with a basket lunch at noon. Each member is only to bring one thing for the lunch, such as a salad, fruit, pickles, olives or cake. The committee having charge of the lunch is: Mesdames R. Hotz, J. Keiser, E. Clements, A. Adler, J. Picetti and A. Koebom. Mesdames T. Denny and W. Clewe have charge of the decorations.

Mrs. Burlingame, having the reciprocity afternoon in charge, had all sing "America, the Beautiful," after which she introduced Miss Fidelia Fuber, formerly of Cloverdale, but now of Santa Rosa. Miss Fuber had as her topic "Alaska," and having lived there for five years, knew her subject well. Alaska is the last frontier and is one-fifth as large as the United States. It is known as the Land of Extremes, the thermometer registering from 86 degrees above to 86 degrees below zero. Miss Fuber left San Francisco on January 20, 1916, when everything in the North is at its coldest. When Alaska was reached, a terrific gale was encountered and all had to stay in the rooms down stairs as the cabins were covered with ice, and even the captain of the ship had to be chopped out of his cabin. Many glaciers are found in Alaska; one of the largest is known as the Muir Glacier not far north of Sitka.

On the shortest day of the year, in December, there is only two hours of sunlight, while on the longest day, in June, there is 22 hours of sunlight. In fact, Miss Fuber related that black oilcloth was placed on the windows and the lamps lighted, to create the illusion that it was night, so they could go to sleep.

The breaking of the ice is one of the important events each year and to the one guessing the exact time of the breaking a large pool of money is given each year.

Roses and currants are the first signs of vegetation and grow abundantly on the mountainsides. Other beautiful flowers, berries and vegetables are grown rapidly here in the short summer months. Many exciting experiences were told by the charming speaker, and all who were present will truly concur with Mrs. Burlingame when she said that this was one of the most enjoyable talks yet given in our club house.

Those attending from Santa Rosa were Mrs. Emma Kopf, Mrs. H. H. Moak, Mrs. Fred Pryor, Miss Fidelia Fuber and Mrs. Coser.

Delicious home-made cakes and tea were served at prettily decorated tables by Mrs. R. L. Watt and Mrs. George Lowell. After all had gathered around the tea tables, a beautifully decorated cake with lighted candles, was placed before Mrs. Burlingame, the day being her birthday. Though this was a surprise to Mrs. Burlingame, she responded with great appreciation for the thoughtfulness of the hostesses for remembering the day.

This was the first social day of the current fiscal year and may we have many more like it.

VETERAN'S WIFE HAS MOTHER'S DAY BABE

Louis Pelligrini, veteran of the World War, has a new baby girl, born to his wife at the Burnsdale sanitarium on Mother's Day. Dr. A. M. Thomson was in attendance.

The proud mother was married to Pelligrini over in France during the war, in which the young soldier from California had thrilling experiences.

Enlisting here and going to Camp Lewis, Pelligrini was promptly sent overseas and was among the first at the front with the infantry. Through inexperience and daring, but 32 members of his company was finally left with him after numerous engagements with the enemy. Pelligrini was gassed from bombs hurled by Americans who failed to explode them, and which were promptly thrown back and exploded by the experienced Bosche with deadly effect on our own troops. The remnant of his company was transferred to another company. Pelligrini, an expert auto mechanic, became a truck driver, carrying munitions and food to the infantry near the Belgian line. His truck was later bombed and seven of his comrades hurled to death. A fragment of shell penetrated Pelligrini's hip.

Since his return to this country the young soldier has taken vocational training and is now running a chicken ranch (the former Anderson place) on Lower Broadway. With the help given him by Uncle Sam and what he is able to do for himself, Pelligrini is doing well despite his frail health. He declares that Sonoma Valley climate is helping him wonderfully.

But it doesn't prove out in practice—this legend about salt as an aid to bird-catching.

Neither does this superstition that there is something mysteriously "better" about eastern lubricants—merely because they cost more. Every quart of Zerolene you buy proves the groundlessness of this superstition.

Pacific Coast Crude Is Best

Zerolene is a western oil—and a better oil even if it does cost less.

As a matter of fact, the best crude petroleum so far discovered for the manufacture of a motor lubricant is obtained from Pacific Coast wells, and the most advanced refining process is this Company's patented high-vacuum process during the use of which Zerolene is submitted to 15 positive checks for quality.

Experienced Drivers Prefer Zerolene

Experienced drivers know this—that Zerolene lubricates more cars in the Pacific Coast states than any other oil made—heavy-duty trucks and high-priced cars alike. Superstitions don't work out in practice—Zerolene will increase the gasoline mileage of your car, reduce carbon accumulation in the cylinders and lengthen your car's working life.

VINEBURG

EARLY PIONEER RETURNS TO VISIT

John Dunbar, of San Luis Obispo, picturesque pioneer and life long Odd Fellow, arrived in Santa Rosa last week to visit his nephew, Mayor Charles O. Dunbar, and the latter's mother, Mrs. S. Dunbar.

Pioneer Dunbar is still a very vigorous man at 75. He was born in a house on the corner of the state highway near Sonoma where Jack Murray now resides. For 43 years he has been coming north to attend the California Grand Lodge of Odd Fellows, and for many years it has been his wont to visit relatives in Sonoma county and take an annual peep at the familiar spots of his boyhood days in the Valley of the Moon. He has been an Odd Fellow for 50 years and recently the San Luis Obispo Lodge presented him with a handsome badge, set in diamonds as a token of their esteem and his long connection with the Order.

While here Mayor Dunbar drove his uncle through the Valley of the Moon and called upon several of his old time friends, including former Supervisor J. Harry Weise. It was near the Weise ranch, in Dunbar School District, that the Mayor was born.—Press Democrat.

ORNAMENTAL STONE GATEWAY PLANNED

The Diener Bulb Company, owners of the former R. E. Murphy ranch, and Z. Lane, of El Rancho Ideal, will jointly erect a handsome and ornamental stone gateway at the entrance of the avenue on which both properties face.

The Diener Company has taken out all the prune trees on the former Murphy acreage and left only a row along the avenue. The entire place is planted to gladoli.

ALL-STARS DEFEATED EL VERANO BLUES

The Vineburg All Stars won their third straight game of the season last Sunday by defeating the El Verano Blues, 20 to 7. The game was slow on account of rain and was called in the seventh inning.

C. Danieli was taken from the box in the first inning when the All Stars slugged out seven runs.

Batteries were P. Rouque and Douglas for the All Stars; C. Danieli, H. Danieli and C. Chance for the El Verano Blues.

COUNTY BOARD GETS KENWOOD PETITION

The supervisors set a new record Tuesday when they cleared up the work of the May meeting at the second day's session and adjourned until June.

The petition for the abandonment of a portion of the streets in Kenwood to allow a property owner to consolidate his lot holdings into one piece was heard by the supervisors. Mr. and Mrs. R. B. Midgley, the petitioners, submitted photographs showing the unused streets all overgrown with grass and testified to the entire lack of use of the streets. John Asplund and C. W. Hawkins, representing protestants, testified that closing of the streets would not prove of any benefit to the public generally, and later might work a hardship upon other property owners in the town. The matter was taken under consideration until June 11th.

Mrs. Mable Hanrahan was allowed \$150 for land deeded to the state for highway purposes on the Schellville-Santa Rosa highway, near Sonoma.

Among newcomers to Sonoma Valley is F. C. Forsythe, who has purchased the Sage place of six acres on Buena Vista avenue. Mr. Forsythe has traveled widely and is charmed with Jack London's land of the Valley of the Moon.

AGUA CALIENTE TITBITS

Mrs. Cohen and son, Davie, were among those attending the graduation exercises at U. C. last week. Willie Cohen received his diploma as a graduate pharmacist.

Dr. Riedle, the new natureopath physician at Agua Caliente baths, has completed the installation of electrical apparatus which will enable him to treat almost any case that may be presented. Dr. Riedle has had an office in Oakland for many years.

Clay Hobacher, the genial bath attendant, is the man who was first president of the Oakland ball team, and is willing to give all the local ball experts the benefit of his many years experience.

Eddie Marriott, of the San Francisco News Letter, made a trip to the Agua Caliente Hotel over the last week end.

Four new cottages are being built in Sonoma Highlands and several more are contemplated.

A crew of men is working on the road to the Agua Caliente bath house and the short cut is now quite a popular road.

Mrs. Olsen and daughter, Ruth, are occupying their cottage in Caliente Park for a couple of months.

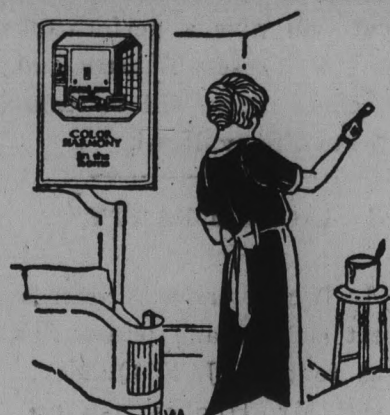

Mr. and Mrs. Gold and family have renovated their cottages and are now coming up from San Francisco every week end.

Tony Forni is again working at the Sonoma Valley Lumber Yard.

C. Walter of San Francisco is visiting with his brother on Hillside avenue.

IF

"If is a little word but it has a BIG meaning meaning to the man who has suffered heavy financial loss through lack of insurance.

Don't let a fire, a burglary or some other eventuality catch you with nothing but "ifs" to defray your loss. See me today about adequate insurance for any unprotected possession.

High School News

By EVA CARTER

Friday evening the girls held a jinks in the auditorium under the supervision of Miss Olsen. From the beginning it proved a great success. The students and parents were entertained for a short time by a program arranged by some of the girls. After the program the girls indulged in dancing and games. Some of the attractive features were a boys' tag dance, a relay race, and a taffy pull. Mr. Benton, considered a genius as a taffy maker, offered his services to the girls. For an hour afterward everyone was sticky with candy. Following the taffy pull some of the parents served ice cream and cake. The party ended at 11:30, everyone going home happy and declaring it was the best party of the year.

Members of the English I class were rewarded for virtuous conduct last week with a spelling bee Friday afternoon. While there were a number of students who showed themselves skilled in the science of orthography, Estelle Warren came out with final honors. "Consul", however, proved her Waterloo.

The last regular meeting of the P. T. A. for the current year will be held at the high school on Friday evening, June 5th.

The next issue of the Sonoma Hi Bi-Weekly Progress will be the last edition for this term. The paper will be continued next year.

Saturday afternoon Ernest Bosch, Jesse Rankin, Ray Downey and Allan Bean, went to Santa Rosa to enter the tract meet. Bosch, the only one scoring, came in third in the shot put, scoring two points for our team.

The greatest attraction for some during the May Exhibits will be an interclass track meet, consisting of 15 events, on Friday afternoon, beginning at 1:15 o'clock. It will be preceded by a championship base ball game between two girls' teams.

The first year freehand drawing class has been studying famous paintings and their artists. They are now deeply "lost" in the study of the mysteries of ancient Egyptian art.

The committee for Senior Stunt Day says the program is progressing slow but sure.

GLEN ELLEN WOMAN TO ATTEND CONFERENCE

Editor, Sonoma Index-Tribune:

Allow me to give your readers a few details about the California Conference of Social Workers, which will meet in Sacramento May 25th to 28th. Anyone who has social betterment at heart, who thinks and works for it, should not fail to attend this meeting.

I attend every year, being a member for years and I can truly say it is a source of inspiration, knowledge and material for serious thought. A gathering of high minded people with social instincts well developed, who consecrate their lives to social work in different fields, come together once a year and discuss their problems, realizing clearly that it helps them greatly in dealing with the problems and enables them to do better work in their various capacities, advancing social work in general and clearing the way for sensible legislation.

For a program anyone can apply to Miss Anita Eldridge, 55 New Montgomery street, San Francisco. The work, is conducted in sections and general sessions, as follows:

Family and child section.
Delinquency section.
Educational section.
Recreation section.
Health section.

The general sessions are held in the evenings with good speakers. Headquarters are located at the Hotel Senator.

Hoping to see many of my Sonoma friends in Sacramento May 25th, I remain,

Yours truly,

OLGA GORDENKER.

Mrs. Zachary, who has been at the St. Helena sanitarium, is expected to visit the Snyder ranch enroute to her home in Ukiah.

STUDENT FARMERS AND MECHANICS ARE BUSY

From the high school agricultural paper issued by the students, Andrew Anderson, editor, we glean the following interesting news of young student farmers:

Among those who are doing some good project work are Phillip Karst, who has baby chicks; the Tynan brothers, with an orchard project; Chester Horn, who is taking care of 400 baby chicks; George Dolcini, with a garden project, and Ralph and Andrew Anderson, with 800 baby chicks.

Tynan has set out 1000 grape cuttings in nursery rows. They were obtained from the Cassidy ranch and are half Alicante and half Zinfandels.

Some of the members of the farm mechanics class (cent workers) have finished improving the showers at the high school. They built a small cement wall around the showers to prevent the water from splashing over the floor.

Mrs. J. Vella was called to San Francisco the first of the week to attend the funeral of a relative of J. Iacono, partner of Mr. Villa in the creamery business.

The Spanish dancing, under the supervision of Alfreda Smith, was excellent. Miss Smith also gave a solo dance number.

The choruses would have done credit to a real musical comedy company, the voices blending well and the performance throughout having veuve and eclat seldom attained by amateur talent. The orchestra, under the capable direction of Mrs. A. R. Grinstead, helped materially in the success of the operetta.

VISITED A HOME REMODELED

A number of Sonoma ladies visited Mrs. Ely's Cobble Court at Melitta this week and found the Better Homes Week demonstration a revelation. Cobble Court is a rebuilt barn, entirely built adn furnished with salvaged materials. It is both interesting and artistic. Those who went to see it included Mesdames Leiser, Breitenbach, Picetti, Borie, Tate, R. Hotz, G. H. Hotz, Burlingame and Miss Cooper. Cobble Court is open to the public for inspection.

GOVERNOR SIGNS THE SONOMA MISSION BILL

Governor Richardson has signed the Senator Slater bill calling for an appropriation of \$2500 for the Sonoma Mission, which is the property of the State of California. The Governor also granted the appropriation asked by Assemblyman Scudder for the restoration of Fort Ross, in this county.

DEATH OF A RELATIVE

Mrs. Bianchi of San Jose died suddenly at 4 o'clock yesterday morning. Deceased is a cousin of John Bianchini of Sonoma Grove, who with his son, Armando, will attend the funeral Monday.

Mrs. Morris of Round Mountain, Nevada, is a guest at the Plaza Hotel. Norma Carlson celebrated her ninth birthday with a party this week to which a number of little friends were invited. Games were played and refreshments served.

The little daughter of Mrs. Noll, nee Walsh, has been laid up with a broken arm at the home of her grandparents near El Verano.

Fred Hovey, of the Unique pool parlors, has purchased a five tube Grebe radio set from Garry Bartoli, and is installing it at his place today.

The Central Commercial and Savings Bank of Vallejo will give a dinner tomorrow at Agua Caliente Hotel. Covers will be laid for 30 guests.

Josh Burris of Hanford has been here on a visit to Sonoma relatives. He is completely recovered from his recent injury, when run down by an automobile.

Mr. and Mrs. G. Dalmas, little niece and Mrs. J. Dalmas of San Francisco visited their relatives, Mr. and Mrs. P. Berg, near Buena Vista over the last week end. Mr. Dalmas is a member of the San Francisco fire department.

Mr. and Mrs. Horn of San Francisco have taken possession of their pretty country home in the Lehrke Tract. Mr. Horn is a leaf tobacco man of the metropolis and bought the place for a country home.

E. Coates and sister, who are leaving Sonoma next week for a business trip East, were given an informal fare well after prayer meeting at the Congregational church Wednesday evening. The obliging bookkeeper at the Ford Garage, Mr. Coates, has made many friends here, who will wish him and his sister a pleasant trip to their old home in Wisconsin.

Mr. and Mrs. E. Carlson and children have returned from a pleasant trip to Monterey.

Fire Chief Valente is in receipt of a very interesting letter from our old friend, Bob Pattison, who now resides in Connecticut. He sends his regards to "all the gang."

Mrs. Lemoine and daughter of San Francisco, former Glen Ellen residents, were here Sunday visiting Mrs. Lemoine's sister, Mrs. Froment, and family.

WARREN LANE TO VISIT FOLKS HERE

Warren Lane, of Spokane, Washington, arrived in Sonoma this week for a visit with his parents, Mr. and Mrs. Z. Lane, and a business conference with his father. The Lanes have extensive lumber interests in the North.

The fourth little son has lately arrived in the Warren Lane home.

HE NEVER HEARD OF IT

Despite the fact that he had never heard of the Eighteenth Amendment, Antonio S. Azavedo, well known Nicasio dairyman, was admitted to citizenship by Superior Judge E. I. Butler recently. This was Azavedo's second attempt to become a full fledged voter, and Judge Butler said that the applicant answered his questions so well that he passed him. The question has arisen as to whether news of the passage of the Eighteenth Amendment has reached Nicasio yet.—Marin Journal.

Mrs. Florence Meyer and party of San Francisco spent the week end at their Sonoma Vista cottage.

No. 14850

In the Superior Court, State of California, in and for the County of Sonoma.

ALICE THOMASSON, Plaintiff vs.

HARRY C. THOMASSON, Defendant.

Action was taken in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma.

Joseph L. Small, Sonoma, Calif., Attorney for Plaintiff.

The People of the State of California Send Greetings to

HARRY C. THOMASSON, Defendant.

You are hereby directed to appear, and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after the service on you of this Summons—if served within this County; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or Plaintiff will apply to the Court for any other relief demanded in this complaint.

Given under my hand and the seal of the said Superior Court this 16th day of April, 1925

(SEAL) W. W. FELT, JR., County Clerk.
